

## Haytor Training Day 24th October 2020

Start time 10.00 - Car Park, Haytor Visitors Centre

Finish time 15.00 - as above.

Transport: There is no school organised transport for this activity.

There is no need for any special kit for this activity, but they will need a waterproof top and waterproof trousers if they have some, if not a spare pair of trousers in case the first ones get wet. If you already have walking boots bring them along, if not an old pair of trainers with a spare pair of shoes will be handy. A spare jumper, hat and gloves. A compass if you have one and a pen or pencil.

Everyone will need a mug and ingredients for a hot drink.

Please bring a packed lunch.

We will be divided into groups (yes friends can stay together) and will be rotating around activities including tent erection, safe use of a Trangia cooker, basic mapwork and orienteering.
