TEIGN SCHOOL

'Pride through Success'

MAIN SCHOOL UNIFORM

Students are expected to wear the official school uniform for all years of secondary school attendance and parents are actively encouraged to support us in maintaining this policy. We believe that wearing our school uniform ensures an acceptable standard of dress; helps to preserve the good reputation and image of the school; minimises social distinctions and avoids the sometimes costly or extreme competition in appearance that can arise amongst young people in secondary schools. Above all it helps to establish and maintain the identity of the school and engenders a pride in being part of the school community.
