

# Year 11 - Welcome back to Week 1 of the Summer Term

A huge well done to all of you on how well you are managing this difficult situation.

This 'Newsletter' is designed to give you key updates, celebrate your success and signpost you to any support you might need.

I very much hope that you and your family are all well and that you have had a healthy and happy Easter holiday! Although we are not physically in the same building at the moment are wishes for you remain the same. We want to support you in all areas and ensure that you continue to develop in all areas of our 'Vision and Ethos'.

**TEIGN SCHOOL** VISION AND ETHOS  
Pride through success

A love for learning

Ready for the world

Centre of the community

Celebrate achievement for all

Your 'Best' mind-set

Support each other

Developing the whole person, ensuring everyone has the opportunities to access the best universities and career destinations

The graphic features a central shield with a cross, surrounded by images of students in various activities. Text is arranged around the shield, with 'A love for learning' at the top, 'Ready for the world' on the left, 'Centre of the community' on the right, 'Celebrate achievement for all' at the bottom left, 'Your 'Best' mind-set' at the bottom right, and 'Support each other' at the bottom center. A small 'Sports Leader' tag is visible on a student in the top right image.

I will be in touch with different Tutor groups and students regularly to request, specific contributions to your Newsletter. But it would also be great to receive anything positive, inspirational, practical, fun or funny which you think would help or cheer up your peers in any way. Any questions they feel free to drop me an email [neil.cripps@teignschool.org.uk](mailto:neil.cripps@teignschool.org.uk). Hope you are all ok

## Student Support

We have now set up a 'Student Support Page' where you can access lots of information on a range of areas including mental health and emotional wellbeing, useful websites, and safeguarding advice.

You can access it here

Teign School

6 hrs · 🌐

A massive thank you to all NHS staff, Carers and Keyworkers from everyone at Teign School.

Like us on Facebook for lots of updates and positive messages

When the Staff of Teign School were asked what they wanted for the students of Teign School they responded with:

TEIGN SCHOOL

[epraise.co.uk](https://epraise.co.uk)

Have you downloaded the Epraise app?

It is available for **free** in both Android and Apple formats and is the best way to keep on top of pressing questions by emailing your teachers about your course.

**Don't forget to enable 'push notifications'**

Remembering the good times!
