## Sixth Form Admissions Policy 2020-21

- All schools must have an admissions policy, [see The Admissions Policy](#)
- Admissions policies must make it clear that all parents **must** apply for admission, and
- How to apply for admission, see [How to apply for a place at the normal round](#) and [How to apply for a place at other times](#)
- When to apply, see [When to apply for a place](#)
- What happens after application, see [What happens after an application is made](#) and [Key information](#) and [Our oversubscription criteria](#) and [Our catchment map](#)
- What happens when an application is successful, see [Outcomes of the application process](#)
- What happens when an application is **not** successful, see [Outcomes of the application process](#) and [Admission Appeals](#).
- Our policy says how we consult and set it each year, see [Policy version](#)
- [Appendix A](#) contains detailed information and definitions of the terms we use.

Text that is [underlined in blue](#) indicates a link to further information within the document or online. If you don't have access to the internet or have any questions about this policy or admissions in general, please ask for advice from the school or the Local Authority Admissions Team.

**Our Ethos** - we ask parents to respect our ethos and its importance to the school community. This does not affect the right of all parents to apply and be considered for a place here.

At Teign School the quality of relationships across our school community will be a strong determinant of our overall success. Positive relationships are fundamental to effective learning and classroom management.

The relationships between students, staff (teaching and support) and parents must be open, honest and respectful and have the achievement of the student and the well-being of all parties at their core.

All parties ie students, staff (teaching and support staff) and parents must accept they have a role to play in the development and maintenance of those relationships.

The quality of those relationships will be reflected in the outcomes for students. Students will be empowered to take an active role in developing the school ethos. It is the policy at Teign School to develop an ethos where there is a commitment to the Restorative Approach.

<b>Oversubscription criteria</b>	
Any child whose Education, Health and Care Plan (EHCP) names this school will be admitted.	
Oversubscription criteria (to be used only if we need to prioritise applications - see <a href="#">notes</a> below):	
<ol style="list-style-type: none"> <li>1. <b>Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.</b></li> <li>2. <b>Priority will next be given to children living within the catchment area set out in the map below,<sup>2</sup> who are siblings of pupils on roll at this school.</b></li> <li>3. <b>Priority will next be given to other children living within the catchment area.</b></li> <li>4. <b>Priority will next be given to children living outside the catchment area, who are siblings of pupils on roll at this school.</b></li> <li>5. <b>Priority will next be given to children of members of staff who have been employed at this school for more than two years or recruited within the past two years to fill a vacancy for which there was a skills shortage.</b></li> <li>6. <b>Other children.</b></li> </ol>	
<a href="#">Tie breaker</a> – to prioritise applications in the same oversubscription criterion, we will use:	
<ol style="list-style-type: none"> <li>a) straight-line distance from home to school and,</li> <li>b) where distances are equal (within a metre) we will use an electronic list randomiser.</li> </ol>	

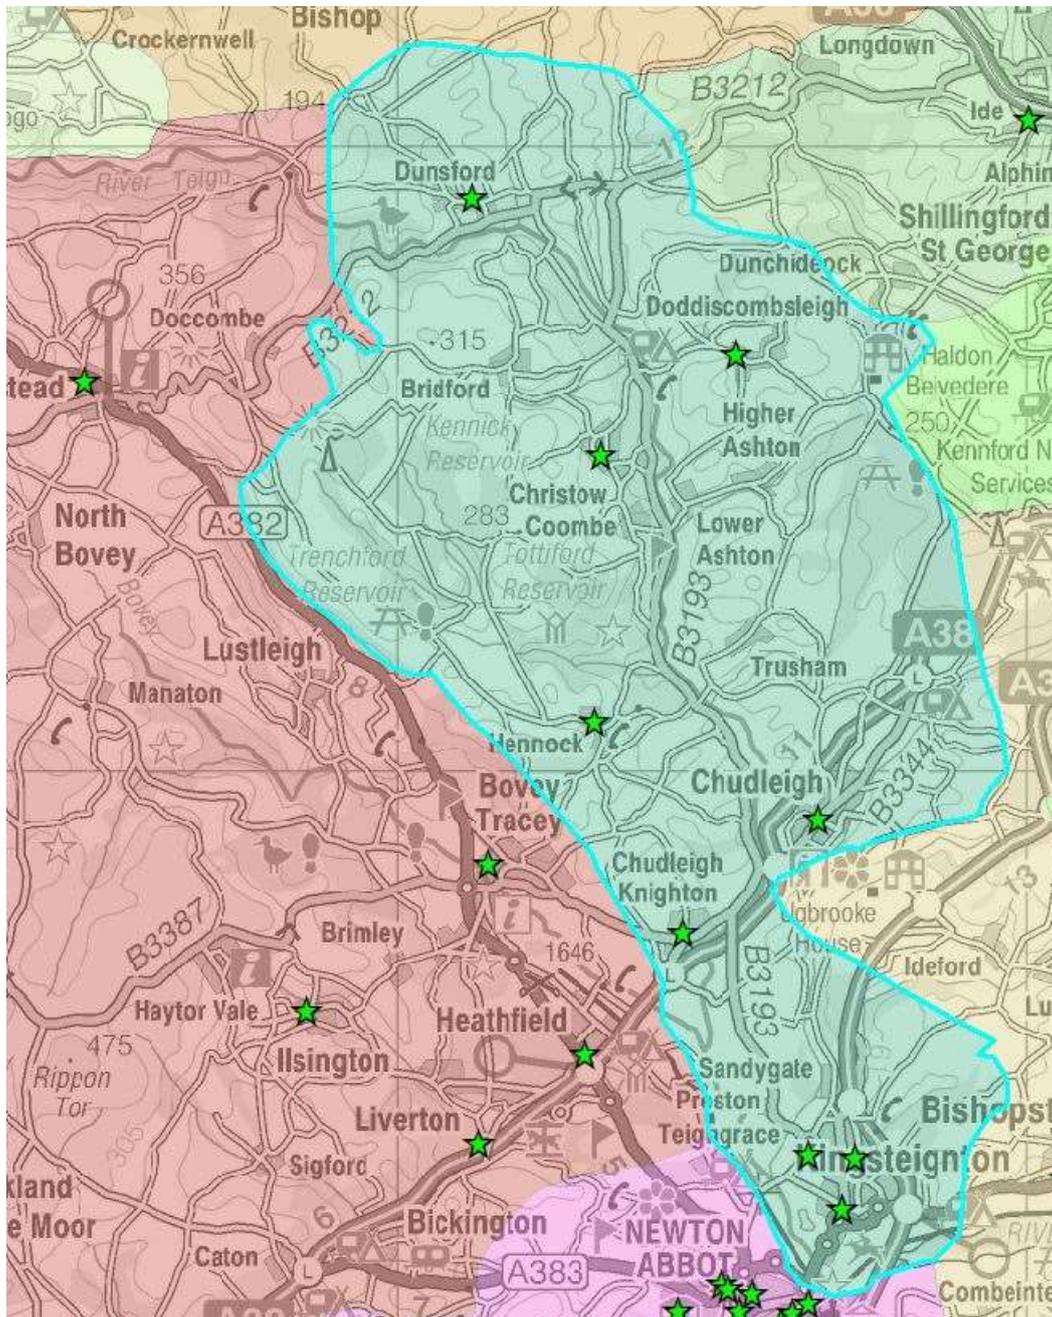

<sup>1</sup> Applications for admission to a sixth form are not co-ordinated by the Local Authority. All applications for admission by external students must be made direct to the College.

<sup>2</sup> Students whose home lies on the boundary line will be considered to be in the catchment.

## Catchment Area

Our catchment area is in the middle of the map, bordered by the blue line. It can be viewed in more detail at [devon.cc/schoolareamaps](http://devon.cc/schoolareamaps) to confirm whether addresses close to the boundary are inside or outside our area. We make measurements for admissions purposes to and from the green star for this school.

We welcome admissions applications for children living inside and outside our catchment area.

## The Admissions Policy

This policy is written to comply with the requirements of the [School Admissions Code](#), the [School Admissions Appeals Code](#) and other relevant legislation so that:

- parents or students themselves will know how to apply for a school place, when to apply and what happens when an application is made;
- how many places are available at the normal intake into the school;
- our governors, principal and members of staff understand what to do;
- we are committed to fair, clear and consistent admissions procedures.

It should be read along with Devon County Council's [Step by Step and In-Year Guides](#) to admissions, its [Normal Round and In-Year Co-ordinated Admissions Schemes, Fair Access Protocol and Education Post 16 Transport Policy](#). For sixth form admissions, we do not take part in Local Authority co-ordinated admissions schemes.

Once our policy is determined, it can't be changed unless an amendment is required to correct a typographical error, to ensure that the policy complies with the Codes, in response to a determination of the [Office of the School's Adjudicator](#) or where approval has been received to a request for an In-Year Variation. Any amendments that are made will be detailed in the [Policy Version](#) section above.

## How the Admissions Process works – who needs to apply

Without exception, young people who wish to transfer to this sixth form must have a formal application for admission. This can be submitted by the young person or by his or her parent. Places aren't allocated automatically and no young person has a guarantee for admission. This includes those with siblings at the school. Internal students – those who are in Year 11 at this school - do not have to make a formal application but must tell us a place is required AND meet the academic requirements for the courses they wish to study.

All students are required to complete a subject Options Form.

We welcome visits from parents and young people who are considering applying for a place here. This is an opportunity to see what this sixth form has to offer and we strongly recommend visits. They aren't a compulsory part of the admissions process and won't affect decisions on whether a place can be offered here. Visits can be arranged by contacting the school office.

Schools can't hold places in reserve in case a local parent forgets to apply or in case a family moves to the area later – there are very limited circumstances when an application can be refused. The responsibility for making applications and for providing information or evidence in support of an application lies with parents.

## How to apply for a place at the Normal Round – Year 12

We ask all external students to complete the **D-CAF5**, Devon Key Stage 5 Common Application Form and to send it in to the sixth form office. Applications submitted after our closing date will be late, considered after those received on time. The form is available from the school office or at <http://devon.cc/applicationforms>.

## How to apply for a place at other times – In-Year Admissions

Applications for admission made after **31 August 2020**, after the normal round, are called In-Year admissions. They can be also be made using the **D-CAF5**. All applications received by 2pm on the same day will be considered together, before later applications.

## When to apply for a place

Applications for the start of Year 12 should be made between **1 September 2019**, the opening date of the normal round application process, and our closing date.

In-year admissions applications can be made at any time after the start of the Year 12 intake. Applications will not be considered, however, further in advance than 8 school weeks, ie 40 school days, (or 16 school weeks for students from UK service personnel families posted to a new area).

## What happens after an application is made?

If there are fewer applications than places then no application is refused at the normal round. If there are more applications than there are places available, applications will be prioritised according to our oversubscription criteria [above](#). Offers will be conditional on the student meeting the academic requirements for the courses they wish to study

For In-Year admissions, we will reach a decision in response to applications within 5 school days of receipt of the application. We will give reasons for any refusal in writing to the LA promptly so that it can take a view whether the refusal is lawful where the refusal is not on the grounds that the sixth form is full.

## **Outcomes of the application process**

If a place can be offered, the applicant will receive a letter confirming the offer of a place and we will look forward to the student starting with us either in the next Year 12 intake or as an in-year admission.

Unsuccessful applicants will receive a refusal letter and can appeal to an Independent Appeals Panel. We will add the student's name to a waiting list for vacancies.

## **Admission of students outside their normal age group**

Parents may request that their child is admitted outside their normal age group. To do so parents should include a request with their application, specifying why admission out of normal year group is being requested.

When such a request is made, we will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the principal and any supporting evidence provided by the parent.

We will ask parents to say in writing with as much supporting evidence as they wish to provide why they are requesting admission outside the normal age group for a child. The admissions authority will consider this evidence and reach a decision in the child's best interests. It will take into account:

- the parent's views;
- the views of the principal of this school;
- information about the child's academic, social and emotional development submitted by the parent;
- information about the child's medical history and the views of a relevant medical professional submitted by the parent;
- whether the child has previously been educated out of their normal age group;
- guidance from the Department for Education on the admission of summer-born children to Reception;
- whether the child may have fallen into a lower age group if it were not for being born prematurely.

Parents who make a request should consider the implications of a child being taught out of the normal age group. Any school the child later moves on to will not be obliged to continue to educate their child out of the normal age group.

The admissions authority will reach a decision on which Year Group it believes is appropriate for the child. It will then reach a decision on whether a place can be offered as it would for any application in that Year Group. Where it doesn't agree to early admission to Year 7 – where the child would not have reached the age of 11 by the beginning of September – it will be its view that this is not a suitable school for the child at that age. Under these circumstances, we will not accept an application for admission. There is no right of independent appeal against this decision.

## **Admission Appeals**

We will refuse admission when we believe that the Year Group is full and we are unable to meet the child's needs without causing prejudice to efficient education or the efficient use of resources. Whenever an application is refused, there will be a formal decision letter which will give a reason for refusal and advice about the parent's right of appeal to an Appeals Panel that is independent of this school.

## **How to apply for a place in Years 7 to 11**

Applications for admission to Key Stage 3 and 4 must be made through Devon's co-ordinated admissions schemes. Information is available in our separate admissions policy for the main school.

<p>Admission authority</p>	<p>This is the body with legal responsibility for the admissions policy and decisions in response to applications for admission. This includes proposing, consulting on, determining and publishing the policy. The admission authority for different types of school are:</p> <p><b>Academies:</b> the academy trust or multi-academy trust  <b>Community schools:</b> the Local Authority  <b>Foundation schools:</b> the school’s governing board  <b>Free schools:</b> the academy trust or multi-academy trust  <b>University Technical Colleges (UTC):</b> academy trust or multi-academy trust  <b>Voluntary Aided schools (VA):</b> the school’s governing board  <b>Voluntary Controlled schools (VC):</b> the Local Authority</p>
<p>Admission Number (AN) or Published Admission Number (PAN)</p>	<p>The PAN is the minimum number of places that will be made available at the normal round intake into the sixth form. The PAN may be increased at any time. In exceptional circumstances, a student may be admitted above the PAN where the admission authority considers this to be necessary and appropriate.</p> <p>The AN is the equivalent of the PAN after the intake year. It is the number of places we expect to be able to provide in the Year Group. It will often be the same as the PAN that was originally determined for that group of students when it first entered the sixth form. It may be increased or decreased in response to changes in demand or in accommodation or organisation.</p> <p>The PAN for Year 12 admission only relates to external candidates.</p>
<p>Appeal</p>	<p>When an application is refused, this is very often because we believe it would “prejudice the provision of efficient education or the efficient use of resources”. (see the School Standards and Framework Act 1998).</p> <p>Any refusal will be in writing and inform the applicant of the</p> <ul style="list-style-type: none"> <li>• reason for refusal</li> <li>• right to an appeal to be heard by an independent panel</li> <li>• right to a place on a waiting list for vacancies</li> </ul> <p>An appeals service is available for all Devon state-funded sixth forms before the Devon Independent School Admissions Appeals Panel. Further information about the process is available from the Appeals Clerk. Appeal papers will either be sent with the refusal letter or can be requested from the LA.</p> <p>Internal candidates can only be refused readmission after Year 11 where they do not meet the required academic criteria. External candidates can be refused on these grounds or because the sixth form is full.</p>
<p>Application</p>	<p>Applications are only required for external candidates.</p> <p>For normal round admissions, applications are considered to have been made on the National Closing Date or the date when the application was submitted or amended if later.</p> <p>In-year applications are considered to have been made on the date they are received, including any supporting evidence that is required – for example, a new address or evidence of a Child’s in Care status or a Supplementary Information Form.</p> <p>It is an applicant’s responsibility to make sure that the sixth form is informed about changes to circumstances and eligibility for priority if, for instance, a sibling is taken onto our roll or the home address changes.</p>

Catchment Area	<p>Many sixth forms operate an admissions catchment area. This is the geographical area that it is primarily intended to serve. There is a higher admissions priority for students who live in it. Students living in a residential property split by the boundary line will be considered to be living within the catchment area. The boundary line will then be reviewed for future applicants.</p> <p>Eligibility for catchment priority where this is part of a school's arrangements is not a guarantee of admission.</p>
Children formerly in Care (Looked After)	<p>These children were looked after until they were adopted (see the Adoption and Children Act 2002 section 46) or made the subject of a child arrangements order or a special guardianship order (Children Act section 14A). Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014.</p> <p>Eligibility for looked after or formerly looked after priority is not a guarantee of admission although there is a presumption in favour of admission in most circumstances.</p>
Chronological Year Group	<p>This is the group of students usually taught together according to their date of birth. Students born between 1 September and 31 August have the same chronological Year Group. This is sometimes called the normal age group.</p>
Common Application Form	<p>This is the name for the application form provided by the LA and must be used for any normal round admissions application. The form provided by the LA where the child lives must be used, regardless of where the school is.</p> <p>The D-CAF5 allows for a single preference to be made and returned direct to the sixth form.</p> <p>Some sixth forms require external candidates to use their own application form.</p>
Compulsory School Age	<p>Children reach compulsory school age and must be in full-time education on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.</p>
Distance measurement	<p>Measurements for admissions purposes are straight-line from the main entrance to a student's home (the residential building) to the star marker for the school on Devon's Geographical Information System, an electronic mapping system which can be viewed at <a href="http://www.devon.gov.uk/schoolareamaps">www.devon.gov.uk/schoolareamaps</a>. This applies solely to external candidates.</p>
Documentary evidence	<p>Once a place has been offered to an external candidate, we may ask for evidence of identity – usually a short birth certificate. This may not be necessary where the student has been on roll at another school in England which can confirm that evidence has been seen at that school.</p> <p>We may also request evidence that a student's address is genuine or that the person who made an application for admission was legally permitted to do so.</p>
Education, Health and Care Plans	<p>An Education, Health and Care Plan is a formal document issued by the LA describing a child's additional needs and how they will be provided for. Any student whose EHCP names this sixth form will be admitted.</p> <p>Before a Plan is issued or amended the LA will consult with sixth forms and ask whether it considers it could meet the student's needs, as set out in the Plan.</p>
Education Transport	<p>Parents should consider how their child will get to sixth form for the whole of their time on roll. Parents are advised not to rely on lifts, car shares or public service vehicles always being available. Supported transport is provided by the LA for Devon-resident students as a last resort, where no other means to support access to education is available. This is set out in the LA's <a href="#">Post-16 Education Transport</a>. Applications for transport must be made direct to the LA where a child lives.</p>

	<p>A discretionary bursary can be applied for by any student facing financial barriers to participation in education, such as the costs of transport, books and equipment. Full details are available on the college website.</p>
Equally ranked preference scheme	<p>Sixth form applications are not co-ordinated by the LA. Applications for admission for external candidates are submitted direct to each sixth form separately. There is therefore no equal ranked admission scheme as there is for children of statutory school age.</p>
Extended schooling	<p>Further information on services beyond the normal school day is available from the school office or website.</p>
Fair Access Protocol	<p>The In-Year Fair Access Protocol does not apply to sixth form admissions.</p>
Faith oversubscription criteria	<p>Sixth forms designated with a designated religious character may give additional priority for admission where faith criteria are met by an external candidate.</p> <p>Eligibility for faith priority where this forms part of arrangements is not a guarantee of admission.</p>
Fees and charges	<p>There is no charge for applying for a place here, for admission itself or for the provision of education. We will not request donations before or during the admissions process and any donations made to the school following admission are entirely voluntary. No activities such as school visits are compulsory. A policy on charging for activities is available on request from the school office.</p>
General Data Protection Regulation	<p>Information about an admissions application will be shared with relevant LAs and with another sixth form when a place has been offered.</p> <p>Where one parent seeks information about an application or to locate a young person, the priority will be to safeguard the young person and immediate family. Unless it is established that the other parent may not lawfully receive information about the young person, the following information will be shared: the preferences expressed, the date of the application, name of the applicant and the outcomes of those preferences. Details about the reasons for an application will not be shared with the other parent.</p>
Home Address	<p>Places are offered here based on where the external candidate student will attend sixth form, not necessarily where they live when the application is made. If we have vacancies, then it doesn't matter whether the home address is in our catchment or relatively close to the sixth form.</p> <p>The home address is where a student normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week or for one week in turn, the home address is determined by a joint declaration from the parents which may set out the pattern of residence. The address used will be the address from which the student attends on most mornings in a normal school week.</p> <p>If no declaration is received and there is no relevant Court Order, the home address will be the address at which the student is registered with a GP. If this is not possible or is in dispute, any other evidence provided by parents will also be considered in reaching a decision on the home address for admissions purposes. This may be necessary where parents don't agree on the student's home address. Parents are urged to reach agreement or seek a Specific Issues Order from a court to decide which parent should or should not pursue an application. Where they do not, the admissions authority will determine the home address.</p> <p>Where we ask for evidence of a new address from which a student would attend school, this would often be written confirmation of a house purchase or a formal tenancy agreement. We recognise that some families may be unable to provide this. Parents who can't provide this evidence should contact us or the LA. There is no intention to</p>

	disadvantage families where there is a genuine reason why evidence cannot be provided.
Home-School Agreement	Admission to sixth form is not conditional on signing a home-school agreement. However, some will ask applicants to sign a Home-School Agreement after students have been offered a place as a positive way of promoting greater involvement in education.
In-Year admissions	This is where a student joins the sixth form at any time after the normal round, the first opportunity for admission.
Linked School	There is no linked school priority for sixth forms. Students from Year 11 here who reach the required academic criteria are guaranteed a place in Year 12.
Looked After Children	These children are Looked After by or provided with accommodation in the exercise of its functions (see the Children Act 1989 section 22(1)) by a local authority.
Member of staff	<p>Many sixth forms in Devon give admissions priority to the children of members of staff. This will be any salaried person employed at the school when the application is made. Where the duties of a member of staff are undertaken at different schools in a federation or chain of schools, there will be admissions priority only at one school. This will be at the member of staff's base school. Where that can't be identified, priority will be at the school where he or she expects to work for most of the time in the current academic year.</p> <p>All members of staff are considered to be important part of the school community: teaching and non-teaching. This includes members of staff employed by a third party, whose duties are solely at the school.</p> <p>Eligibility for children of staff priority where this is part of a school's arrangements is not a guarantee of admission.</p>
Multiple birth siblings	Random allocation will not be applied to multiple birth siblings (twins and triplets etc.) tied for the final place. Where an external candidate multiple birth sibling can be admitted within the PAN or AN, Devon sixth forms will admit them all and exceed the PAN if necessary.
Nodal points	<p>A Nodal Point in is a geographical location, used when a sixth form is oversubscribed, to measure distance to an applicant's home. This can ensure the school serves students closest to it but also those living in other areas, for example areas that have more limited access to school places or where a straight-line measurement does not fairly represent proximity to the school. Nodal points are sometimes known as Admissions Points or Centroid Points.</p> <p>The term nodal point may also describe a specific location on school premises for distance measurement purposes.</p>
Normal Round Admissions	This is where a student joins a sixth form at the first opportunity for admission to the Year Group.
Objections to admissions policy	Advice is available from the Office of the Schools Adjudicator on how to object to this policy. Objections must be made by <b>15 May 2019</b> .
Offers	<p>When a place is offered, it is assumed the offer will be accepted unless the applicant advises otherwise. If an applicant doesn't confirm the place is required within 10 school days of the offer, the sixth form will try to contact the applicant again. If there is no response within 5 school days of that contact, the offer may be withdrawn.</p> <p>It is important that when places are offered or refused to external candidates it is done fairly and consistently. Where the sixth form has reason to believe that false or deliberately misleading information has been provided, the decision to offer will be reconsidered using</p>

	<p>correct information. The offer may then be withdrawn if it would not have been made with the correct information, even if this is after admission. Places are offered based on the address from which the student will attend.</p> <p>Accurate information is particularly relevant for addresses. A sixth form may ask for evidence of a student's home address as part of the decision-making process. If it is believed that the student's address will change before admission, the sixth form must be informed. The applicant may be required to provide evidence of a new address where this would give a higher priority for admission.</p> <p>Places will only be withdrawn if offered in error, if the applicant has not responded to an offer within a reasonable time or if the offer was obtained through a fraudulent or intentionally misleading application which secured the offer of a place when the response would otherwise have been a refusal.</p>
Oversubscription criteria	<p>Where the number of applications for external candidates exceeds the number of places available in the Year Group, the admission authority for a sixth form will use its published oversubscription criteria to prioritise applications. They are detailed in the key information section of each admissions policy. They are not relevant where there are vacancies.</p> <p>Eligibility for priority under any oversubscription criterion is not a guarantee of admission.</p>
Parent (or carer or guardian)	<p>A parent is any person who has parental responsibility or care of the student. When we say parent, we also mean carer or guardian. Where admission arrangements refer to parents this can mean one parent or both. A sixth form may ask for evidence of parental responsibility where a person is acting as a parent but does not hold formal parental responsibility.</p> <p>Sometimes there is a dispute between parents over which school a student should attend. Decisions in response to an admissions application will take into account imminent court hearings that may have an impact on parental responsibility and living arrangements.</p>
Prejudice to efficient education	<p>It is lawful to refuse admission where taking another external candidate would cause a prejudice to "efficient education or the efficient use of resources" at this school. This is the point when we would say the Year Group or the class is full. In most cases, prejudice would occur when the AN for the Year Group has been reached.</p>
Published Admission Number or PAN See also Admission Number	<p>This is the minimum number of places available at the sixth form at the normal round intake for external candidates. In limited circumstances, more will be admitted. It is calculated considering the physical capacity of the sixth form, the level of demand expected from internal candidates and sensible, lawful school organisation. Once set applications will not be refused below the PAN at the normal round. If there is unexpectedly high demand and a sixth form believes it could admit more students, the PAN will be increased. A sixth form may admit students above-PAN where their circumstances suggest their need to be admitted outweighs prejudice to efficient education.</p>
Pupil Premium	<p>Sixth forms can give admissions priority where a student is eligible for Pupil Premium funding if included in the oversubscription criteria.</p> <p>Eligibility for Pupil Premium priority where this is part of the arrangements is not a guarantee of admission.</p>
Service families	<p>For children of UK service personnel and other Crown Servants we will consider a family posted to the area as meeting residence criteria even if a home address has not been identified and a unit address is used. Measurements for prioritisation purposes will be from the main entrance to the residential property or the centre of the front gate of the unit address if necessary. This requires written confirmation from the relevant government department: The Ministry of Defence, the Foreign and Commonwealth Office or Government Communications Headquarters.</p>

	<p>Sixth forms will consider in-year admissions for families of UK service personnel posted to a new area and of crown servants returning to the country up to 16 school weeks in advance.</p> <p>There is no additional admissions priority for children of service families.</p>
Sibling	<p>'Sibling' means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a stepbrother or sister or other child living in the same household as part of a single-family unit at the date of their application for a place.</p> <p>A sibling who has been offered a place within the normal admissions round will be considered as if he or she were on roll for the purposes of oversubscription priority where a student seeks admission in-year.</p> <p>A sibling who has been offered an in-year place for the beginning of the next term will be considered as if he or she were on roll for the purposes of oversubscription priority where a child seeks admission at the normal round.</p> <p>Eligibility for sibling priority where this is part of the school's arrangements is not a guarantee of admission.</p>
Supplementary Information Form or SIF	<p>A form in addition to the LA common application form or the sixth form application form. Some schools use SIFs to collect information necessary to apply one or more of their oversubscription criteria.</p> <p>SIFs need only be completed to provide information related to a specific oversubscription criterion, not by applicants who aren't seeking priority according to those criteria.</p> <p>An application must be completed in all cases.</p>
Tie breaker	<p>To distinguish between external candidates in an oversubscription criterion, priority will be determined based on distance between home and school. This is measured in a straight line from an entrance door of the residential dwelling to the centre of the main entrance to the school site using Devon LA's Geographical Information System (GIS). Students who live closer to the school have a higher priority for admission. Where two or more students reside within a block of flats, they will be deemed to live at an equal distance from the school.</p> <p>If the tiebreaker above is not enough to distinguish between applicants in an oversubscription criterion, there will be a random ballot. This will be undertaken by a person independent of the school by the operation of an electronic list randomiser.</p> <p>Random allocation will not be applied to multiple birth siblings (twins and triplets etc.) from the same family tied for the final place. Sixth forms will admit them all.</p>
Uniform	<p>Students attending some schools are expected to wear a uniform. Where this is the case, information about where this can be purchased and support for families who may be unable to afford items of uniform will be available from the school office and website. Others do not have a uniform but will be expected to follow a dress code.</p>
Waiting Lists	<p>Sixth forms will operate a waiting list for Year 12 until the end of the autumn term. This will be maintained by the sixth form. Waiting lists will only contain the names of students who have formally applied and been refused admission.</p> <p>Student's positions on the waiting list will be determined solely in accordance with a school's oversubscription criteria. Positions will be reordered whenever anyone is added to or leaves the waiting list. Therefore, a student's name can go up or down on the list. The length of time on a waiting list does not affect a student's position.</p>
