Bio	I live in Chudleigh with my husband and two children. My working career since the year 2000 has been in finance, communications and admin. Past and current volunteer roles in my spare time include; coach for a ladies' netball team, coach for an afterschool gym club at my local primary school, first aider primarily for my son's youth rugby team. In the past I've been involved with the local council and various community organisations and committees. All of these experiences and roles have given me an understanding of the local community and a desire to give back. As a co-opted governor for Teign School I bring to the role a passion to improve using data, feedback and reflection.
